JANUARY 2017

2016 IN REVIEW

Thanks to all of you, 2016 was an incredible year at CSB! Our 105th year was the best one yet! We've seen the return of our amazing customers as well as the appearance of many new faces.

Ice Cream Socials

This summer was a busy time for CSB. We were able to continue our tradition of ice cream socials throughout the area, including Cottonwood Falls and Beef Fest in Emporia. You've helped to make memories and keep the tradition alive. The staff at CSB would love to see you at one of our ice cream socials in 2017; stay on the lookout for those dates this summer!

Hay Digs/Hot Wheels Races

We got to see many of our younger, super-savers this summer, too! We were able to offer hay digs at Gridley's

Fourth of July Celebration, New Strawn's Strawn Fest, and Burlington's Fall Festival. We were also able to make the ultra-competitive Hot Wheels races possible; the competition gets pretty intense! The kids get so excited and so do we!

Fair/Rodeo

The county fairs and Flint Hills

Rodeo always seem to be at the hottest times of the year. The participants didn't seem to notice as they showed off their

skills! We love to see our customers excel.

Open Houses

This December, CSB was able to celebrate the holiday season with open houses with treats, goodies, and warmth at each location. It was great to see all of you there!

Without all of you, none of this would be possible! CSB's customers are truly the best out there!

UPCOMING DATES TO NOTE:

- **Monday, January 16, 2017:** All CSB locations closed in observance of Martin Luther King, Jr. Day.
- **Monday, February 20, 2017:** All CSB locations closed in observance of Presidents' Day.

Cash's Corner

Hey Kids!
2017 is going to be a great year! Don't forget to make your savings plan and keep saving to earn coupons for awesome prizes!

24/7 BANKING

Banking made easy: anytime, anywhere

www.bankcsb.biz

Earlier this year, Citizens State Bank revealed our new website. Times are changing and we needed a makeover! We hope you've had a chance to check it out and discover some of the unique features we have included.

In addition to the online banking login, the website also features important and useful information, forms to make various enrollment processes easier, and an array of financial calculators to help you determine the best options for you.

We are constantly updating the website with new information. Updates such as closings and outages will be announced here!

Citizens Mobile App

With the on-the-go lifestyle of so many, the launch of the CSB app this summer has made it easier than ever to find locations near you, check your balance, transfer funds, track transaction history, and view deposit and check images and details. The best part? It's all at the touch of a button, regardless of where you are!

To download the app, search for "CSB Kansas" on your phone's App Store or Play Store and look for our logo. Further instructions can be found on our website and assistance can be provided at any of our branches.

Shazam Bolt\$

Shazam Bolt\$ is another application option available to you. Through Bolt\$, you can find ATMs with no or reduced fees. Bolt\$ also assists in helping you protect yourself from fraud. The ability to freeze and unfreeze your card from purchases is now available on your mobile device.

The app also allows you to set a fraud alert on your card. Any purchases above your set spending limit will result in a notification sent directly to you. There is also the option to receive alerts for any transactions on your card placed online or over the phone as well as internationally.

Check out our website or stop by any location to learn more!
